

## NEW NATIONAL APPROVED VENDOR PARTNERSHIP WITH FERGUSON FACILITIES SUPPLY AND ROYAL AMERICAN MANAGEMENT

Ferguson is one of the nation's top providers of plumbing supplies, solutions, and equipment. Ferguson is a diverse distributor that spans multiple businesses including HVAC/R, waterworks and industrial. Our associates provide expert advice and a range of products and services our customers want to improve their construction, renovation, and maintenance projects. Our customers rely on us for our personalized service, unrivaled expertise and a vast inventory of products that range from HVAC, appliances and water heaters to lighting, door hardware and PPE products. Deliveries come from our established network of distribution centers and there are also 2,100+ branch locations for easy pick-up. We are there for your business – any time, any place!

### Going Green Is Easy!

We are committed to shrinking our environmental footprint while reducing yours. No matter your budget, you will discover a wide variety of environmentally conscious products from high efficiency toilets and faucets to LED lighting that can help you make a difference each and every day. Look for these icons in our catalog and [ferguson.com](http://ferguson.com) to easily shop for sustainable products.
