

## THE TOTAL PACKAGE

### FERGUSON IS YOUR ALL-IN-ONE SOLUTIONS PROVIDER

Our massive inventory is available to you 24/7. With more than 25,000 products spanning 12 different categories, we're able to keep your operation stocked and ready to run at full speed today, tomorrow and every day after.

## Our IAQ Solutions Help Everyone Breathe Easier

Improve the quality of air in any building and with IAQ solutions from Ferguson. We back our expansive inventory of IAQ products with support from our team of indoor air quality experts. This allows us to help you and your residents breathe better with healthy air. Speak with us to discover what makes us the preferred choice for indoor air quality solutions.

Air Purifiers

Ventilation

Filtration

Humidity Control

## Recovery Resources

Ferguson is here to help you put safety first with products to maintain operations while ensuring the health of everyone. From sanitation supplies and social distancing signage to touch-free fixtures and more, find what you need to create a safer environment.

Hands-Free Hygiene

Sensor faucets and flush valves

Health & Safety

Face masks, sanitizers, disposable gloves, wipes and hand stations

Social Distancing

Safety signs and stands, barrier tapes and applicators

# WE MAKE IT EASY TO FIND WHAT YOU NEED AND MANAGE YOUR ORDER

## QUICK ACCESS TO PRODUCTS

Ferguson Facilities Supply stocks thousands of products from major manufacturers in our shipping centers. Our buying power and vendor relationships mean that if you need something we don't stock, we can get it – quickly.

## SUPPLY CHAIN MANAGEMENT

Our distribution network and specialized delivery services help keep your jobs on track.

- Direct shipments from shipping centers
- Improving receiving and organization with “bagged and tagged” products
- Organizing palletized products for pre-staging, lay-down or floor-by-floor delivery

## INVENTORY CONTROL & MANAGEMENT

We make inventory management more efficient with customized barcode scanner options and bin labels, making it possible to:

- Easily count and value warehouse or stock room
- Reduce order processing costs
- Eliminate order entry errors
- Improve productivity
- Create batch orders
- Reorder efficiently and conveniently
- View real-time pricing and availability

# OUR EXPERT SOLUTIONS ARE AVAILABLE 24/7
