Terms and Conditions

1. Terms of Service: Quest Diagnostics Health & Wellness represents health benefit management programs with policies in place to maintain the confidentiality of your information consistent with Quest Diagnostics Notice of Privacy Practices, which may be found at QuestDiagnostics.com/home/privacy-policy/online-privacy.html Our Privacy of Protected Health Information (PHI) policy requires that we "must obtain, maintain, use and disclose patient protected health information in a manner that protects patient privacy and complies with all state and federal laws." Though this is a voluntary program, should you choose not to accept these Terms and Conditions, you will not be able to participate.

2. By participating in the wellness screening program(s) you acknowledge, and consent to, Quest Diagnostics Health & Wellness' disclosure of the data and outcomes of your Health Questionnaire and test results in accordance with the requirements of the Health Insurance and Portability and Accountability Act (HIPAA) and any other applicable laws. If you are providing family medical history or other genetic information through a Health Questionnaire or test results, you are also authorizing and consenting to the use of such genetic information for the purposes of the wellness screening program as described in paragraph 3 below. If you are a spouse or dependent of another participant in the wellness screening program, you are also authorizing and consenting to the use of your genetic information, which genetic information may include blood pressure, BMI, and blood work results such as cholesterol, glucose, and triglycerides, in your spouse's data. Your employer will not receive your results in any form that may match the data to you, though your employer may receive de-identified, aggregated data from the entire population of participating employees.

Communication Preferences

I would like to receive appointment reminders from Quest Diagnostics Health & Wellness.

- To schedule an appointment at an onsite event, in the **Wellness Screening** section, under **Onsite Event**, select the **Make an Appointment** button

Why You Should Participate

Biometric screening information may prevent or delay chronic conditions and complications such as hypertension, heart disease and diabetes. A screening includes a blood pressure check, height and weight measurement, and a lipid and glucose profile, which is a group of tests to determine the risk of coronary heart disease.

Biometric Screening

To get started, select an appointment method below.

Lab Patient Service Center

Schedule a screening at a nearby Quest Diagnostics lab location.

[Schedule a Screening ▶](#)

Physician Results Form

Download a form that your health provider completes with your recent test results.

[Order Form ▶](#)

Onsite Event

Participate at a biometric event at one of your organization's locations.

[Make an Appointment ▶](#)

Self-collection

Complete your self-collection.

[Order Materials ▶](#)

- Select the onsite event location where you'd like to complete your screening
- select the **Continue** button
